I am fairly sure I've got the chord shapes right or this one... however, the names are a different story altogether. If someone could correct the mistakes I may have made in the names I'd appreciate it.

Also, I'm leaving the right hand fingering for the player to work out for him/herself... it's fairly easy... basically arpeggio style (with some strumming) and picked up easily by listening to the song

... thanks to Howard Wright for the tuning.

Tuning: (from low to high) D G D G B D.....open G

there are two distinct chord progressions used in this song which I call Patterns 1 & 2.

Pattern 1:

Gm7                    A7  
Marcie in the quilt of flowers  
C6add2                G Cadd2 G  
Steps inside a candy store  
Gm7                    A7  
Reds are sweet and greens are sour  
C6add2                G Cadd2 G    G Cadd2 G  
Still no letter at her door  
D#                     D  
So she'll wash her flower curtains  
C                      B  
Hang them in the wind to dry  
Gm7                    A7  
Dust her tables with his shirt and  
C6add2                G Cadd2 G    G Cadd2 G  
wave another day goodbye  
  
G Cadd2 G    G Cadd2 G

.....repeat Pattern 1 for the following:

Marcie's faucet needs a plumber  
Marcie's sorrow needs a man  
Red is autumn, green is summer  
Greens are turning and the sand  
All along the ocean beaches  
stares up empty at the sky  
Marcie buys a bag of peaches  
stops a postman passing by

Pattern 2:

Gmaj7

C(2)

And summer goes, falls to the sidewalk like string

and brown paper

Gmaj7

Winter blows up from the river

C(2)

There's no one to to take her.....

G(2) A7 C6add2 G Cadd2 G Gm7 A7 C6add2 G Cadd2 G

to the sea

.....use Pattern 1 for the following:

Marcie dresses warm, it's snowing

takes a yellow cab uptown

red is stop and green's for going

Sees a show and rides back down

Down along the Hudson River

Past the shipyards in the cold

still no letter's been delivered

still the winter's days unfold

.....and Pattern 2 for this:

Like magazines fading in dusty grey attics

and servers make a dream

Dream back to summer

and all he tells her

Wait for me

.....back to Pattern 1 for:

Marcie leaves and doesn't tell us

Where, why she moved away

Red is angry, green is jealous

that was all she had to say

Someone thought they saw her Sunday

window shopping in the rain

Some heard she bought a one-way

ticket and went west again
