G Dm C Am G

In his face, oh _____

Sometimes in the evening

He would read to her

Roll her in his arms

And give his seed to her
She would wake in the morning
Without him and go to the window
And look out thru the pain
But the statue in her garden
He always looked the same
He looked the same, oh_____

Bring her boots of leather
And she will dance for him
Shyly from a feather fan
She'll glance for him
Here he comes after midnight
To find her again
He will come a few times more
Till he finds a lady statue
Standing in a door
In her door, oh_____
