(intro..)

For our first time together

I want -ed everything to be just right, I

002010 000000 002010 000000
prayed for good weather, For we were

going to a concert in the park that night, I wanted

violins and sweet romantic melodie ie- ies

000000 044030 022010
but when the band began to play, it didn't

044030 x55555 x77777
turn out quite that way,

000000 x77777 000000
For there were trum - pets and

000000 x77777 000000 x55555 000000 002010 000000
trom bones mak -ing sad sounds and glad tones and

044030 022010 x77777
notes that I will never under stand & ,

000000 x77777 000000 x77777 000000
And there were tin horns and o - boes and

x55555 000000 002010 000000 044030
saxophone so - lo□s; Now, I know and you know

044030 000000 022010 000000 002010 000000
Love is like a big brass band.

Additional Lyrics:

We wasted no time now,
We planned a wedding for the first of June
Hear the wedding bells chime now
And see the folks all watching for the bride and groom
Waiting for violins and sweet romantic melodies
But when we started down the aisle
You should have seen the preacher smile
For there were trumpets and trombones making
Sad sounds and glad tones and
Notes that I will never understand
And there were tin horns and oboes and
Saxophone solos, Now
I know and you know
Love is like a big brass band.
