DYLAN, MITCHELL TEAM UP FOR TOUR

The mother-of-all-folk-tours looks to be triple-Grammy winner **Bob Dylan** and singer-songwriter **Joni Mitchell** hooking up to tour the West

Coast of Canada and the United States in May.

"He's been after her for a while," said Mitchell's manager, Sam Feldman.

The Dylan-Mitchell tour — her first tour in 15 years — will kick off May 14 in Vancouver, so far the only Canadian date booked.

Meanwhile, Mitchell's new self-produced album, tentatively titled *Taming*

Joni Mitchell

the *Tiger*, is finished and will be released later this year.
