

|||||||            |||||||            |||||||  
000000            222100            000000  
|||||||            |||||||            |||||||  
see like mankind sees

|||||||            |||||||  
777700            999800  
|||||||            |||||||  
Why have you soured

|||||||            | | | | | | |            |||||||            | | | | | | |  
000000            0 12 0 12 11 0            000000            0 12 0 12 11 0  
|||||||            | | | | | | |            |||||||            | | | | | | |  
and curdled me?

|||||||            |||||||            |||||||            |||||||  
555500            777700            999800            000000  
|||||||            |||||||            |||||||            |||||||  
Oh            oh you tireless watcher

|||||||            |||||||  
000000            222100  
|||||||            |||||||  
what have I done to you?            That you make

|||||||            |||||||            |||||||  
555500            999800            777700  
|||||||            |||||||            |||||||  
everything I dread            and everything I fear

|||||||  
000000  
|||||||  
come true

| | | | | | |            |||||||  
11 0 11 10 00            999800  
| | | | | | |            |||||||  
                  Once I was            blessed            I was a-

|||||||            |||||||            |||||||  
000000            222100            000000  
|||||||            |||||||            |||||||  
waited like the rain

|||||||                |||||||  
777700                999800  
|||||||                |||||||  
Like eyes for the blind

|||||||                | | | | | |                |||||||                | | | | | |  
000000                0 12 0 12 11 0                000000                0 12 0 12 11 0  
|||||||                | | | | | |                |||||||                | | | | | |  
like feet for the lame

| | | | | |                |||||||  
11 0 11 10 00                999800  
| | | | | |                |||||||  
Kings heard my                words                and they

|||||||                |||||||                |||||||  
000000                222100                000000  
|||||||                |||||||                |||||||  
sought out my compa- ny

|||||||                |||||||  
777700                999800  
|||||||                |||||||  
But now the janitors of shadowland

|||||||                | | | | | |                |||||||                | | | | | |  
000000                0 12 0 12 11 0                000000                0 12 0 12 11 0  
|||||||                | | | | | |                |||||||                | | | | | |  
flick their brooms at me

|||||||                |||||||                |||||||                |||||||  
555500                777700                999800                000000  
|||||||                |||||||                |||||||                |||||||  
Oh                oh you tireless watcher

|||||||                |||||||  
000000                222100  
|||||||                |||||||  
what have I done to you?                That you make

|||||||                |||||||                |||||||  
555500                999800                777700  
|||||||                |||||||                |||||||  
everything I dread                and everything I fear

||||||  
000000  
||||||  
come true

||||||  
222100  
||||||  
I've lost all taste for life

||||||  
444300  
||||||  
I'm

||||||  
555500  
||||||  
all complaints

||||||  
777700  
||||||  
Tell me

||||||  
999800  
||||||  
why do you starve the faithful? Why do you

||||||  
000000  
||||||  
crucify the

||||||  
777700  
||||||  
saints? and you

||||||  
999800  
||||||  
let the wicked prosper you let their

||||||  
222100  
||||||  
children frisk like deer

||||||  
000000  
||||||

||||||  
777700  
||||||  
And my loves are dead or dying

||||||  
999800  
||||||

||||||  
000000  
||||||

or they don't come near

| | | | | ||                    |||||  
11 0 11 10 00                    999800  
| | | | | ||                    |||||  
Oooooohhhh and look who    comes    to

||||||                    |||||                    |||||  
000000                    222100                    000000  
||||||                    |||||                    |||||  
counsel my deep            distress

||||||                    |||||  
777700                    999800  
||||||                    |||||  
These pompous            physicians

||||||            | | | | | | |                    |||||            | | | | | | |  
000000            0 12 0 12 11 0                    000000            0 12 0 12 11 0  
||||||            | | | | | | |                    |||||            | | | | | | |  
Oh what carelessness!

| | | | | ||                    |||||  
11 0 11 10 00                    999800  
| | | | | ||                    |||||  
Breathtaking                    ignorance                    adding

||||||                    |||||                    |||||  
000000                    222100                    000000  
||||||                    |||||                    |||||  
insult to in -            jury                    They come

||||||                    |||||  
777700                    999800  
||||||                    |||||  
Blaming and                    shaming

||||||            | | | | | | |                    |||||            | | | | | | |  
000000            0 12 0 12 11 0                    000000            0 12 0 12 11 0  
||||||            | | | | | | |                    |||||            | | | | | | |  
and shattering me

|||||||            |||||||            |||||||            |||||||  
555500            777700            999800            000000  
|||||||            |||||||            |||||||            |||||||  
Oh                oh you tireless watcher

|||||||            |||||||  
000000            222100  
|||||||            |||||||  
what have I done to you?        That you make

|||||||            |||||||  
222100            444300  
|||||||            |||||||  
Already on a bed                of sighs and

|||||||            |||||||  
555500            777700  
|||||||            |||||||  
screams and still                you

|||||||  
999800  
|||||||  
torture me with visions you give me

|||||||            |||||||  
000000            777700  
|||||||            |||||||  
terrifying        dreams

|||||||                    |||||||                    |||||||  
000000                    222100                    000000  
|||||||                    |||||||                    |||||||  
Help me under-            stand

|||||||                    |||||||  
777700                    999800  
|||||||                    |||||||  
What is the    reason for your

|||||||                    | | | | | |                    |||||||                    | | | | | |  
000000                    0 12 0 12 11 0                    000000                    0 12 0 12 11 0  
|||||||                    | | | | | |                    |||||||                    | | | | | |  
heavy hand?

|||||||                    |||||||                    |||||||                    |||||||  
000000                    555500                    777700                    999800  
|||||||                    |||||||                    |||||||                    |||||||  
Was it the    sins                    of my                    youth?

|||||||                    |||||||  
000000                    222100  
|||||||                    |||||||  
what have I done to you?    That you make

|||||||                    |||||||                    |||||||  
555500                    999800                    777700  
|||||||                    |||||||                    |||||||  
everything I dread    and    everything I fear

|||||||  
000000  
|||||||  
come true

|||||||                    |||||||                    |||||||  
555500                    999800                    777700  
|||||||                    |||||||                    |||||||  
everything I dread    and    everything I fear

|||||||  
000000  
|||||||  
come true                    Oh you make

|||||||        |||||||        |||||||  
555500        999800        777700  
|||||||        |||||||        |||||||  
everything I dread    and    everything I fear

|||||||  
000000  
|||||||  
come true
