Repeat intro bit.

-----

Doctor Junk the dentist has  
An office full of colored glass  
A garden with a paddle wheel  
Funny plants for eye appeal  
Though he waters them with care  
I've never seen them growing there  
He's not really crazy only nuts  
And bolts  
And rusty rings make him do eccentric things

-----

Repeat intro bit.

-----

Doctor Junk the dentist built  
A junky castle up on stilts  
Junk within and junk throughout  
And TV in the chimney spout  
14 levels to each floor  
And now he's adding 14 more  
He's not really crazy only nuts  
And bolts  
And rusty rings make him do strangest things
