

JoniMitchell.com Transcription for Guitar

My Best To You

Author: Marian Russell

CGEFGC, 'Joni' Tuning: C79125, Capo: 2

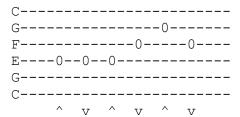

This transcription is the author's own work and represents their interpretation of the song. You may only use this file for private study, scholarship, or research. Copyrighted material on this website is used in accordance with 'Fair Use'

Marian's notes:

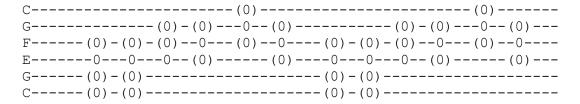

This is my guitar arrangement of Joni Mitchell's keyboard arrangement. Although the tuning is an alternate tuning, it is not a standard Joni tuning.

^ = strum from low to high. v = strum from high to low.

Throughout the song, I do a strumming pattern in 6/8 time. For the chord shape 000000, try to emphasize the following notes in your strumming:

With this in mind, a full measure of the chord shape 000000 looks like this:

Count: 1 and 2 and 3 and 4 and 5 and 6 and

Intro:

```
000000
                  777000
Here's to you May your
                 dreams come true May old Father
       555000
       221000
             000000
Time never be un-
                 And through the years save your
             kind
555000
            221000
                          443200
                          smiles and your
                 They're just souve-
           tears
998700
                555000
                          777000
-nirs
     They'll make
               music in your
                          heart
2nd verse:
000000
                  777000
Remember this each new
                day is a kiss Sent from up a-
555000
        221000
                000000
bove with an angel's
                     So here's to you May your
                love
555000
        221000
                      000000
skies be
       blue
             and your
                     love blessed That's
```

1st verse:

 777000 	 000000 									
my best to	you
